Combining Tradition, Experience, Craftmanship & Technology

Macduff Crane Hire is part of the Macduff Shipyards Group and offer full crane hire and cargo handling services throughout the North East of Scotland, Aberdeen and Inverness.

Safety is of paramount importance to us and all of our cranes are fully tested and certified specialist lifting equipment with fully qualified CITB operators.

Our core business activities include:

- **Cargo Lifting**
- **Contract Lifting**
- **Marine Lifting**
- **Steel Work & Installation**

Our crane hire is carried out under standard CPA hire terms unless additional insurance is requested by the customer or a contract lift is required.

We have a fully certified appointed person who will plan and supervise your lifting requirements carrying out site visits and providing the necessary advice on the operation. A method statement and lifting plan can be prepared if required.

Our customers come from all industrial sectors including:

- **Marine**
- **Construction**
- **Distilleries**
- **Oil & Gas**
- **Transport**

THE FLEET

Macduff Crane Hire have a wide range of modern cranes available for hire.

Lifting Capacity 25 - 55 tonnes.

Our crane fleet is readily available to service your operational requirements.
